

# Managing Vendor Qualification , Performance & Contract Compliance

## INTRODUCTION

- Suppliers and vendors play a key role in the company's success. Having a formalized system in place to track and evaluate supplier and vendor performance is essential to the smooth operation and profitability of the company.
- Successful companies embrace their suppliers and vendors, viewing them as partners in helping to grow the business; therefore we have to ensure we use the right processes and criteria to select our suppliers.
- This Managing Vendor Qualification, Performance & Contract Compliance training seminar will use the system approach to demonstrate the optimal method in vendor qualification, enhance performance and ensure contract compliance.

This training seminar provides both strategic and tactical insights into:

- How wide an adequate number of suppliers to maintain
- Selecting only the best suppliers to participate
- How to measure their performance objectively
- To ensure that they perform according to expectations

## OBJECTIVES

Participants attending this training seminar will:

- Understand to avoid combative relationship with their suppliers and vendors
- Establish the goal in understanding what value-add is a given by the vendor
- Establish the vital steps in a proper supplier evaluation
- Matching customer requirement with the correct supplier segmentation
- Develop meaningful performance measures
- Learn how to use those performance results for continuous improvement
