

# The Middle Manager Development Programme

## INTRODUCTION

- Many middle level managers have a wealth of experience at handling day to day management issues and are now ready for a far greater challenge: the challenge of becoming transformational leaders as well as managers., The Middle Manager Development Programme is about making that vital transition and exploring and mastering the knowledge and skills that will confidently take you to that next level of competence – from professional to inspiring leader.

A key part of the learning process is sharing the different experiences you and your fellow participants bring, as well as experimenting with novel – and sometimes challenging – techniques.
